MILLER-KEYSTONE BLOOD CENTER ANNOUNCES RIBBON-CUTTING FOR NEW PITTSTON BLOOD DONATION CENTER

LEHIGH VALLEY, PA – Officials at Miller-Keystone Blood Center have announced the addition of a Blood Donation Center located at 400 Route 315, Suite E, Pittston. To celebrate the opening of this new location, a ribbon-cutting ceremony will be held in conjunction with the Greater Pittston Chamber of Commerce on Friday, January 31, 2020 from 3:00 pm-5:00 pm. The Blood Center will also be open and collecting blood donations on that day from 10:30 am to 5:00 pm.

“In February 2019, Miller-Keystone Blood Center was confirmed as primary blood supplier for the Geisinger health system,” explains Qiana Cressman, Director of Recruitment and Development. “In this capacity, Miller-Keystone is responsible for the provision of blood products and services to the hospitals and residents of the Northeast PA and Central PA regions served by Geisinger.”

Mrs. Cressman notes that, while operating hours for the new Pittston location are still being finalized, the site is expected to offer morning, afternoon and evening appointments for the convenience of Blood Donors in the region. The site includes three (3) donor chairs for whole blood collections and three (3) chairs for automated collections (red cells, platelets or plasma).

Local media are invited to join us for the ribbon-cutting of the Blood Center’s Pittston Donor Center at 400 Route 315, Suite E, on Friday, January 31. Tours, networking and refreshments will take place from 3:00 pm-5:00 pm, and the official ribbon cutting will take place at 4:00 pm.
