

About Miller-Keystone Blood Center

Founded in 1971, Miller-Keystone Blood Center (MKBC) is a non-profit community blood center providing blood products and transfusion services to hospitals in Eastern & Northeastern Pennsylvania and Western New Jersey.

MKBC is a member of America's Blood Centers (ABC), a national network of independent, non-profit community blood centers that provide approximately 60% of the blood products transfused in the United States.

MKBC has 7 (seven) blood donation sites: Bethlehem, Cedar Crest, Hamilton Street, Palmer Township, Reading, Pittston, & Trenton/Ewing; and multiple satellite and blood drive locations throughout the region.

MILLER-KEYSTONE BLOOD CENTER
a non-profit organization,
and the only community blood center
servicing your local hospitals.

You Can Make a Difference...

"While in the hospital in 2021, I experienced post-surgery internal bleeding, which required several blood transfusions. I am so very grateful to the individuals who donated the blood I received, they literally saved my life. Thank you to Miller-Keystone Blood Center and to everyone who takes time out of their day to donate blood. You truly are lifesavers!"

Why Donate with Miller-Keystone Blood Center?

- When you donate blood at Miller-Keystone Blood Center, it stays right here in your community, supporting the transfusion needs of your local hospitals. So, you might just be helping a family member, a friend, or a neighbor.
- MKBC is one of the nation's best-regarded, highly experienced blood centers. Our record of compliance with FDA (Food and Drug Administration) and AABB (Association for the Advancement of Blood & Biotherapies) guidelines demonstrates our commitment to quality and service excellence. For over 50 years, MKBC has collected and delivered safe, reliable blood products for the community.
- MKBC ensures that your local hospitals ALWAYS have a continuous blood supply for accident victims, premature infants, surgery and transplant patients, those undergoing cancer treatment, and others in need of lifesaving transfusions.
- MKBC is part of BERC (Blood Emergency Readiness Corps), a network of blood centers across the nation prepared for mass transfusion disasters that may strike. As part of BERC, MKBC has access to a blood supply which is readily available without delays or uncertainty.

VOLUNTEER

MKBC has many volunteer opportunities available throughout the communities we serve. From assisting donors to helping with administrative tasks behind the scenes, volunteers perform a wide range of important roles for MKBC. Make new friends, learn new skills, explore career choices, and save lives.

FINANCIAL SUPPORT CONTRIBUTION

A financial gift to MKBC directly impacts our mission by helping us purchase vital supplies, maintain equipment, and cover operating expenses. You can make a gift at any time during the year, or during our special appeal in the fall. You can also consider monthly giving for sustained support that aids our planning. Visit GIVEaPINT.org to learn more and to make your financial gift.

If an on-site blood drive is not feasible, the Adopt-A-Day program offers the flexibility to host a blood drive at one of our Donor Centers and be recognized in the community!

"Drops" is a complimentary monthly engagement program shared with participating businesses to educate their employees on the importance of blood donation.

Thank the Donor

"Thank the Donor®" is a program that allows blood recipients to send a message of gratitude anonymously to their donors.

Veterans Still Serving

MKBC proudly supports our military servicemen and servicewomen. The program presents a MKBC Challenge Coin as a token of appreciation to donating veterans.

"Celebrate Hope" is a program which enables some of our transfusion recipients to meet the actual blood donors whose selfless donation(s) helped to save their lives.
